

Calling all Burlington and Harwinton music lovers! This past year has closed the curtain on many opportunities to watch our favorite musical acts. For many in our community, music is in their hearts and they live to perform. Due to Covid restrictions, the Music Fest (formerly Johnnycake Music Fest) has been cancelled for 2020 and 2021. While we are saddened by this announcement, we feel we still have the opportunity to showcase local talent!

Beginning March 2nd, we will be shining a light on our own virtual stage. Burlington & Harwinton bands will have the opportunity to perform, with the chance to walk away as the winner of the **Two Town Showdown!**

Are you a band that wants to enter The Two Town Showdown?

This online competition is open to all Burlington or Harwinton residents and/or all Region 10 students, staff or alumni, who are in a band (minimum of two members) and wish to share a recording of a one-song performance. Register by February 26th at <https://r10mam-two-town-showdown.causevox.com/>

From March 2nd – March 16th, you are able to watch a performance by each band that has entered our contest, and vote for your favorite. Each vote is \$1, i.e. \$10=10 votes. Donations support Region 10 Make a Mark, Inc. a 501(c)3 non-profit dedicated to sustaining and extending the excellence of the Region 10 School District. The winning band receives a \$300 grand prize and complimentary 6-hour recording session at CSB Media Arts Center in Farmington. \$200 will go to our 2nd place winner, with 3rd place receiving \$100.

We hope you will join us for the **Two Town Showdown**, where Burlington & Harwinton virtually battle it out to see which band emerges victorious! Vote as often as you like to keep your favorite band in the lead!
